# COATED PRODUCTS

Coated fries remain hot and crispy longer than traditional, uncoated fries which also makes them the perfect take-out or delivery fry! They're the ideal base for loaded fries, seasoned however you please, or great on their own as a side.

# CRISPTOGO<sup>TM/MC</sup>

Your customers want crispy, delicious takeout and delivery - and CrispToGo products ensure they get it! Our proprietary batter gives these products an unprecedented hold time, which means soggy fries are a thing of the past.

**+30 MIN**

# FINE COAT™

There's a lot of reasons Fine Coat fries are mighty fine. Coated in a virtually invisible starch-based batter, they offer great plate coverage and a naturally delicious potato flavor. With a long hold time, Fine Coat fries are perfect as a base for loaded fries or as a customer favorite for takeout or delivery.

**CAN'T  
BE BEAT**

Fine Coat XLF fries boast premium, extra-long lengths offering maximum yields for your plates.
